11 At the time the rules were framed, cost of living in the Far East was much lower than in the European countries, but things have changed very much since then ; and I believe Tokyo is as expensive a place as any in Europe Consequent on the general increase in cost of living, the ~~former~~ scholarship of £.250/- is being found everywhere insufficient, and the question of increasing it is under consideration. I thi that Mr. K. Shamsuddin Khan should get the ~~the~~ scholarship as the others. I may mention als that Mr. Shamsuddin Khan is a married man and such cases, an additional £.50/- p.a. has been granted to officers deputed abroad for study.

& iv. As much privilege leave at his credit and the rest special furlough on half pay.

Copy of memorial of Mr.Samsuddin Khan is also enclosed herein. I request that the facilities recommended to the scholar by the Super intendent of sericulture may be kindly arranged to be given.

I have the honor to be,
Sir,
Your most obedient servant,

Director.

Copy of letter No.4401 dated 23rd February 1928 from the Superintendent of Sericulture, Mysore to the Director of Industries and Commerce in Mysore, Bangalore.

With reference to G.O.No.D.7987-90/Edn.86-27-39 dated 30th January 1928 sanctioning among other things a free Damodardas scholarship of ~~Rs~~ £.250/- per annum for two years to Mr.K.Shamsuddin Khan, and in ~~cotnuation~~ Continuation of my No.4272 of 14th February 1928 submitting a programme of training for Mr.K.Shamsuddin Khan, I have the honor to submit herewith copy of a letter received from the officer requesting the grant of (1) Rs.120 being the railway fare from Bangalore to Bombay or Colombo and between the sea port of debarkation in Japan and the Capital City Tokyo, (2) advance of 3 months scholarship, (3) an outfit allowance of Rs.450/- and (4) four month privilege leave and 20 months special furlough on half pay.

I request your kindly obtaining sanction of Government for granting the following advances to Mr.K.Shamsuddin Khan:-

1.Advance of Rs.120/- towards the 2nd class Railway fare from Bangalore to the port of embarkation, and railway fare from port of debarkation in Japan to Tokyo and other incidental charges. The amount to be accounted for by Mr.K.Shamsuddin Khan as soon as he reaches Japan.

An outfit allowance of Rs.250/- recoverable after return from training.

Rs.250/- 4 allowable & payable in 4 instalments.

An advan Rs.500/- adjustable out of scholarship amount in monthly instalments of Rs.25/- per mensem. This advance will keep Mr.K.Shamsuddin Khan in funds as soon as he reaches Japan. As the scholarship will be paid to him from the date he reaches Tokyo, I do not know whether the advance of 3 months scholarship can be paid to him in India.

As requested by Mr.K.Shamsuddin Khan, the scholarship may be arranged to be paid to him through the Yokohama Specie Bank, Tokyo. Mr.K.Shamsuddin Khan is expected to reach Tokyo early in May 1928 and the Comptroller may kindly be requested to make immediate ar-

arrangements to have the amount of scholarship paid to the scholar from the date he reaches Tokyo as the scholar will be put to much difficulty in a foreign land if there should be any delay in the payment of scholarship ~~xxxxxxxxx~~ which delay will certainly occur if the Comptroller takes steps to arrange payment of the scholarship after getting information of the date of landing at Japan from the scholar.

I expect the scholar will be entitled to scholarship from the date of reaching Tokyo, as such he will have to spend two full years in Japan. Including the time spent in Railway journeys and voyage, Mr.K.Shamsuddin Khan may be expected to be away from Bangalore for about 26 months. During this period Mr.K.Shamsuddin Khan may be granted, as much privilege leave as he has at his credit at the time of leaving Bangalore, the rest of the period being treated special furlough on half pay.

I am arranging for a passage for Mr.K.Shamsuddin Khan in the 2nd week of April 1928 and as he requires sometime to prepare himself, I request the goodness of your obtaining very early orders in this case.

Letter No.2500 dated 20-2-28 from the Asst.Superintendent of Sericulture, Channapatna to the Superintendent of Sericulture in Mysore, Mysore.

Subject:- Re' Deputation of Mr.K.Shamsuddin Khan to Japan to undergo training in Sericulture.

With reference to your memo No.4275 dated the 14/15th Februa 1928 forwarding Government order No.D.7987-90/Edn.86-27-39 dated 30th January 1928, I beg to express my deep gratitude to Governme for having awarded to me a scholarship of £250/- per annum to undergo training in sericulture and to submit the following for f of early arrangements.

As per programme submitted to the Director of Industries and Commerce in Mysore by you I am expected to leave Bangalore by abo the 10th April 1928. The Manager, Nippon Yusen Kaisha at Bombay forms me that one Japanese steamer leaves Bombay on the 13th Apri and another on the 8th May next. I request you to be good enough to arrange for my passage in any one of the above ships and also arrange for payment of Rs.120/- being train charges from Bangalor Bombay and charges from Kobe to Yokohama and Tokyo and cooly and other incidental charges.

I request you to be good enough to get me an advance of three month's scholarship before I leave for Japan to enable me to meet my expenditure so soon I go there. Afterwards my stipends may be kindly arranged to be paid through Yokohama Specie Bank, monthly to enable me to maintain myself there.

I may be kindly recommended for the grant of an outfit allowance of Rs.450/- which may be deducted out of my pay after my return from Japan. Since Japan is a very cold country it is necessary that I should have proper equipment in dress. etc. and Rs.450/- would be absolutely necessary.

I pray that you will be so good as to get me the following benefits viz. four month's privilege leave and 20 months special furlough on half pay.

I request that arrangements may be kindly made to pay my sala- regularly to my elder brother to Mr.Abdul Qadir Khan, B.A.,District Economic Superintendent, Bangalore District, Bangalore or to his written requisition as he will be the guardian of my family during my absence from home.

My application for passport will be submitted in a day or tw after attending to the necessary formalities.

I beg that early orders may be kindly obtained to enable me make my preparations in time to proceed to Japan.
